MEZE

Mezedes

social food

'no Greek drinks without eating'

from Alan Davidson's book 'The Oxford Companion to Food'

.....and the food they eat whilst drinking is Meze. In tavernas all over Greece people can be seen enjoying Meze whilst gossiping or discussing the latest in politics. Meze, or Mezedes (pl) is a series of small plates offering a mouthwatering array of intense flavours, ranging from something as simple as a plate of luscious Kalamata olives to the more sophisticated *Dolmadakia* (stuffed vine leaves). Meze is perfect for informal or impromptu get-togethers as they are easy to prepare in advance or at short notice. Odysea have made it even easier with an extensive range of equistly flavoured Meze products which includes Aubergine Meze, Red Pepper & Feta Meze, Kalamata Olive Meze with Capers and Sun Dried Tomato Meze - and thats not to mention a wonderful range of succulent Greek olives! Make the most of our special offer and stock up for your next social food gathering *a la Greque!*

Meze caters to the Greeks passion for sharing fine food and good company
